ITV ICE MAKERS, AN ETHICAL COMPANY

We are a **European manufacturing company** with over 30 years of **experience around the world**. A dynamic and professional company with a profound knowledge of the products and services it offers.

We consider that our mission is to **satisfy the needs of our clients, employees and society** through advanced technical concepts, efficient management system and the use of clean and environmentally friendly technology.

Our values are based on **integrity, professional ethics, environmental commitment, quality orientation, health and safety, transparency, proactivity and excellent customer service**.

BUT WE ARE MORE THAN GREEN..

The Strongest Box-Type Frame: Stainless steel pillars. No need for disassembling all the machine to service it.

Silent Rain: We minimized interaction and friction between internal components.

Frontal Ventilation: Low sound level and better heat exchange process.

Optimized spray system: Spray nozzles patented by ITV Ice Makers made of expandable material sensible to jet of water.

Insulated Storage Bin: Higher rigidity and lower heat transmission.

Tropical Conditions: Our machines are designed to work in hot environments with temperatures up to as 43°C

Oblique positioned condenser: Improved ventilation.

Clean Touch: Wash button to clean the entire production system.

Easy Access System: Greater accessibility, ease of maintenance, cleaning and diagnostics.

CCB - Condenser closed box: Refrigeration unit protection system to avoid condensation problems.

3-LS: Less welds - Less unions - Less leakage.

New rocker switch: More protected against improper stops and starts.

Eco-ventilation: 38% more efficient than other configurations.

Best water distributor: It reduces ice loss and shortens ice cube production times.

**WORLD'S
BEST
ICE MACHINE
DOESN'T EXIST
...YET.
BUT WE KEEP
WORKING
ON IT**

- We **invest in R&D** to generate the latest technology, a careful design and the best value for money.
- We have **stock of machines** and **availability in spare parts for more than 10 years**.
- We stand out by **prompt attention to our customer's problems** by our service department.
- We are **sure and proud of our machines** because they are endorsed by quality certifications like the **ISO 9001, ISO14000, ISO 26000-RSC, UL, NSF, Watermark, Foot Print, ROHS, SASO, CCC, WRAS, KC**. We are partner of **ARHI, AFEHC, AEFYT, IVEFA, CEOE**, and members of the **CENELEC, AENOR & UNE comites**.
