

A close-up, low-angle shot of an ice dispenser's internal mechanism. The dispenser is made of clear plastic and is partially filled with ice. The word "PUSH" is embossed on the side of the dispenser. The background is dark, and the lighting is dramatic, highlighting the ice and the plastic components.

## A STAINLESS STEEL BUTLER

SIRION Ice Dispenser is the optimal solution if you want to be sure that you have ice at all times in order to provide the desired level of comfort and build up customer loyalty. It is easy to use, silent and efficient, just like having a personal butler to serve your clients. ITV's new ice dispenser produces large and small ice cubes. Ice is easily released just with a light push, always meeting the needs of your clients. The 30" model stores up to 104 kg of ice and it features a convenient access to the tub, enabling easy cleaning without having to move the ice machine.

The machine is supplied with AISI 304 stainless steel case and adjustable legs. It also features build-in lightening and a 20-sm sink depth, so it can be installed in any hotel-size cooler. This machine is reliable, hygienic, with only a few parts, energy-efficient and it has a modern and attractive appearance. It meets EC regulations and certifications. ITV ice maker is available with water refill and a coin mechanism. It is a perfect choice for hotels, resorts and recreation centres

## UN MAYORDOMO DE ACERO INOXIDABLE

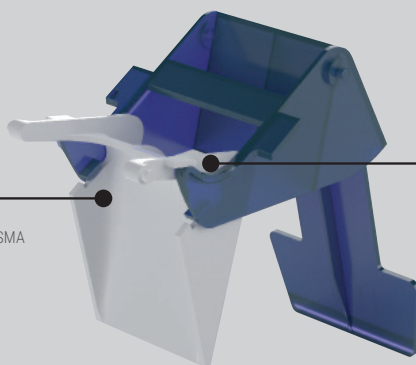

El Dispensador de hielo SIRION es la mejor solución si usted quiere estar seguro de tener hielo en cualquier momento, para proporcionar el confort deseado y para fidelizar al cliente. Fácil de usar, silencioso y eficiente, es como tener un mayordomo a disposición de sus clientes. El nuevo Dispensador de hielo de ITV dispensa cubitos de dado y medio dado. Su simple empuje para dispensar hielo fácilmente siempre cumplirá con los requisitos de sus clientes. El modelo de 30" almacena hasta 104 kilos y permite un acceso cómodo a la cuba para una fácil limpieza sin tener que quitar la máquina de hielo.

Viene con una carcasa de acero inoxidable AISI 304 y patas ajustables. La iluminación está incorporada y la profundidad de fregadero de 20 cm. permite colocar cualquier cubitera de tamaño hotel. Fiable, higiénico, pocos número de piezas, eficiencia de energía de ahorro con un aspecto moderno y atractivo. Cumple con la reglamentación y certificación CE. Disponible con relleno de agua y el mecanismo de la moneda, el Dispensador de hielo ITV es ideal para hoteles, resorts y centros de ocio.
